Good Morning Tracy and all Lodge Managers,  
Snowy Mountains Shuttles would like to offer you and your guests peace of mind when travelling to your lodge.

We are offering private transport in one of our Premium 4wd vehicles or our 11 seat bus from Jindabyne, so your guests will have minimal contact with others before entering the resort. We have secured a safe storage compound in Jindabyne for your guests vehicles. We ask that they load their own gear into our waterproof pod trailers and we will get them to you safely. We are able to meet any oversnow transport if and when required.

We only offer this service to individual's, families or group bookings staying together.

We will fully adhere to all Govt transport OH & S Covid standards plus we are working with local businesses to ensure we have the right products for correct Covid sanitisation.

All our drivers will wear masks, be temperature tested 2-3 times per week and will be trained in Safe Operating Procedures regarding Hygiene and use of PPE.

All vehicles will be equipped with face masks, personnel sanitisers and will be wiped down after each use.

We are investing in a " Fogging Machine " to cleanse each vehicle each night.

With an impeccable safety record, we take our role in stopping the spread seriously.

Pricing to be as follows;

1-6 passengers in a 4WD \$200 each way and includes all NP entry fees.

11 passenger seat bus \$220 each way plus NP entry fees.

Night driving \$50 and Guthega transfers \$20 each way surcharges will apply.

All pricing includes GST and car storage is free of charge.

We also specialise in private transfers from all Airports.

We look forward to working with you to ensure everyone arrives safely.
