Note that PBS participant booking entitlements are suspended whilst any membership fees or levies are outstanding. Also, a participant's entitlements can be used by his/her spouse, or by his/her immediate children aged under age 21. Unaccompanied children aged over age 21 would need to book as "Friends Using PBS Entitlements" (see further below).

## Preferential Booking System (PBS) Entitlements and Priorities

**PBS participant members are entitled to** initial preferential booking at PBS participant rates of 14 nights accommodation per PBS participation for the participant and accompanying guests. A family which has two Class 1 or three Class 2 PBS participations is entitled to initial preferential booking at member rates of 7 nights accommodation in respect of each parent and each of their immediate children aged up to age 18.

**Booking requests are date stamped and processed in order of receipt with deposit**, subject to the following conditions and priorities :

- 1) **Booking requests received before 17 March** are treated as though received on 17 March. From 17 March, booking requests are then processed in the following order of priority :
- 2) **PBS Class 1 initial preferential priority booking requests received up to 31 March** take priority over all other bookings. All other booking requests are held until 31 March.
- 3) **From 31 March**, other booking requests are then allocated and confirmed in the following order :  
[ *But note that within each category, requests are still processed in order of receipt from 17 March* ]
- 3.1) **PBS Class 2 initial preferential priority booking requests** plus the immediate children (aged 18 and under) of families which have just one Class 1 PBS participation. [Under the PBS Rules, whilst these children rank with Class 2 participants, they are charged full non-member guest rates.]
- 3.2) **PBS Participant Members** are entitled to book **further accommodation** (in excess of initial entitlements) for themselves and accompanying guests. One person per participation per night is at PBS participant rates, with any remainder being at full non-member guest rates.
- 3.3) **PBS Participants** who have not used all their initial PBS entitlements may nominate friends to use their entitlements (unaccompanied by the participant). The rates for these "**Friends Using PBS Entitlements**" are mid-way between the PBS participant rates and the full non-member guest rates.
- 3.4) **Non-Member Guest booking requests** are allocated after the above requests.
- 4) **From 31 March, group booking requests** for 17 or more (would usually only be available in Low and Value periods and if no other bookings) are also considered by the directors.
- 5) **For the period 26 June to 2 September**, only bookings with Friday, Saturday or Sunday arrivals and departures can be initially confirmed. So 1 and 2 night Friday and/or Saturday night weekend bookings, as well as 5 night mid-week to as long as 9 night weekly bookings are available. Requests for other periods are only available on a stand-by basis and can usually only be confirmed shortly before the requested period if beds are then still available.
- 6) **If booking requests for the popular 2-17 July School Holiday period are particularly heavy**, the directors may decide to reduce the maximum booking period to 5 or 6 nights.
- 7) **Every effort is made to accommodate first preferences** but this is not always possible as our lease is for 25 beds (including staff). So please ensure that your booking request includes details of alternative preferences that will assist the Booking Coordinator in allocating you a suitable booking period. Your booking request will be confirmed (or otherwise) as soon as is practical. There may be some delays whilst the Booking Coordinator discusses options with members and guests whose first priority is overbooked. If necessary, we conduct a ballot for equal priority bookings. Your deposit is not banked until the booking is confirmed.
